M.11481 – SYNOPSYS / ANSYS

SECTION 1.2

Description of the concentration

On November 11, 2024, the Commission received notification of a proposed acquisition by Synopsys Inc., ("Synopsys") of sole control of ANSYS, Inc., ("Ansys") (the "Transaction"). The Transaction will be implemented pursuant to a merger agreement concluded on January 15, 2024, by which Synopsys will acquire all of the outstanding shares of common stock of Ansys through a reverse subsidiary merger. The Transaction constitutes a concentration pursuant to Article 3(1)(b) of Council Regulation (EC) No 139/2004.

Synopsys, headquartered in Sunnyvale, California, United States, is a global provider of electronic design automation software, tools and services and semiconductor intellectual property products and services. Additional information on Synopsys is available at www.synopsys.com.

Ansys, headquartered in Canonsburg, Pennsylvania, United States, is a global provider of engineering simulation software and services, supplying a wide range of simulation solutions that allow for the design, testing, and optimization of products and processes across various industries. Additional information on Ansys is available at www.ansys.com.
